

SKILLS MongoDB, ExpressJs, React, NodeJs, JavaScript, CSS, Tailwind CSS, Bootstrap, HTML, JQuery, Firebase

PROJECTS

Review Page [Git](#) | [Live](#) (React, Tailwind CSS, HTML) Spearheaded the design and development of a dynamic business webpage dedicated to showcasing customer reviews

- Deployed a responsive and engaging user interface, delivering real-time updates to enhance the overall user experience
- Diagnosed and proactively resolved software bugs and errors, ensuring seamless website functionality
- Conducted in-depth analysis of the user interface and overall experience, implementing enhancements for improved usability

Email Promotion [Git](#) | [Live](#) (React, MongoDB, ExpressJS, NodeJs, Bootstrap) Led the end-to-end development of a comprehensive promotional business webpage

- Designed a visually stunning and responsive UI, creating an aesthetically pleasing user experience
- Implemented effective contact forms to facilitate seamless communication, enhancing user engagement
- Utilized a full-stack approach, leveraging MongoDB, ExpressJS, and Node.js for a robust backend

E-commerce Store [Git](#) | [Live](#) (React, CSS, HTML, Stripe) Integrated Stripe payment gateways to ensure a secure and efficient transaction process

- Identified and resolved bugs and errors for a smooth user experience
- Introduced a personalized recommendation system, enhancing the user shopping experience and driving sales
- Implemented a responsive design approach, optimizing the E-commerce Store for various devices and screen sizes, resulting in an enhanced user experience and increased accessibility
